from **START to PRINT IN ONE WEEK!**

Immersive Workshop, April 22–27, 2012 in St. George, Utah

COME JOIN two of Utah's most experienced personal historians for this immersive one-week workshop in beautiful St. George, Utah. This is not just a series of how-to-do-it-yourself classes, but a guided workshop which will enable you to complete a professional and elegant personal history book and DVD, from start to print, and have it delivered to you in eight to ten weeks. No writing experience or computer knowledge is required.

IF YOU HAVE attempted to write your personal history, you know what a daunting and confusing task it can be, and how easy it is to put it off until "someday." Yet what could be more important than capturing forever your stories, your wisdom, and your insights for your loved ones and future generations?

IN THIS WORKSHOP, we will guide you through the process of choosing and recording your most important and compelling life stories, all while enjoying a
